

One Globe is India's premier annual conference focusing on contemporary issues and ideas to transform the country into a 21st century knowledge economy and since 2012 has brought 250 global thought leaders to New Delhi each year to debate, discuss, and share global and local perspectives on important issues influencing India and South Asia's development. Our fast-paced, content-rich conference includes keynotes, panel discussions and spotlight sessions covering a range of topics across themes like Digital India, Make in India, Smart Cities, and Entrepreneurship, and their impact on higher education, skills, innovation, science and technology.
